

Garlic Festival 2025

Presented by Glencoe lodge #22

Garlic Festival Parade

- ▶ This is our Elephant Garlic Festival Parade! We had our Glencoe Lodge float there with Lodge and family members handing out garlic and candy. There was also a Mini Cooper car club, a few old fire trucks, the Glencoe High School marching band, and a few other locals that participated in the parade.

The Elephant Garlic Festival, which is always the 2nd weekend in August, is a three-day event that is centered around garlic. There are food vendors with all kinds of tasty food featuring garlic from ice cream to shrimp and everything in between. There are also vendors where all kinds of arts and crafts are for sale. One of the biggest attractions is the beer garden with garlic beer as one of your options and live music all weekend!

As they say, FUN STINKS!
