## **A Message From Supreme Chancellor Donald Stamm**

In all my travels, since being elected as Supreme Outer Guard , I have met many good Pythians. Some of those brothers and sisters have become my very good friends. They were there when tough decisions were being made. Through lengthy discussions, not always comfortable, they added their personal knowledge and it was much appreciated.

The council is engaged in the business at hand and focused on the evolution of the 21<sup>st</sup> Century Pythian. As a council we still have a lot of work to be done. One of my main goals is to make us more visible in the public's eye. There is a need to create new ideas or revisit old ones to attract younger members. Membership is a priority. If you have an idea for membership contact the membership chairman and discuss your plan. The Foundation is operating at strides that are beyond the imagination. The Supreme Secretary's office is about to receive its inventory from the old office on the east coast. The new contact information can be found here in the PI. The PI is up and running and well I might add. If you have any articles, announcements, suggestions or comments send them to the Editors.

I look forward to serving the Order as your Supreme Chancellor, and to the accomplishments that we can all achieve in working together for the sake of humanity.

In F.C.B.,

Donald L. Stamm, SC  
Knights of Pythias

## **A Message From Supreme Chief Gwen Rhodes**

Spring has sprung! Which means it is time to start planting the seeds to obtain new members and for the implementation of our many plans for 2025.

Your Membership committee will be sending some suggestions to create interest in the Order and hopefully bring in new members, new ideas and create new friendships.

We will also be kicking off our Youth Mental Health project. There are some great opportunities in this area. Having a purpose not only benefits the targeted area but also gives purpose to our members.

As you plan your activities, be sure to include as many members as possible. No matter how simple the task is, being needed and wanted is critical to one's self-worth and this is important for all.

Share information with all members in your Temple. This can be done by simply sending an email to all with the highlights of a meeting and printing a copy and mailing it to those who do not have access to email. A common complaint is that members do not know what's going on. This very important communication could be done by the Secretary or someone appointed to do it.

Your revised Constitution and By-laws including the 58 changes from the 2024 session is available for purchase or printing yourself. The price for a printed copy for three ring binder is \$16.50 with binder or \$9.50 for pages only. For the security code to print a copy yourself, please contact Supreme Secretary Jona Cowell. Her email address is [jcowellplef@gmail.com](mailto:jcowellplef@gmail.com).

Please take care of yourself and each other!

Gwen Rhodes  
Supreme Chief

## **A Message From Supreme Secretary Dan Cowan**

Spring is just around the corner and change is in the air. With the change in season comes additional changes to the Supreme Lodge Office. The balance of the supplies (jewelry, Ritual Books, Lodge Supplies, jewels, apparel, etc.) from the former Supreme Lodge Office are again in transit to Los Angeles and orders for supplies that have been received will be shipped accordingly.

One of the changes is the ordering of supplies. Members can contact the Supreme Secretary with their requests and where possible, orders will be shipped directly to the member, Subordinate Lodge or Grand Lodge. A new price list with pictures (where available) is being compiled and will be published when completed.

Another change is that Holiday Greeting Cards and Special Celebratory Cards are being emailed via an animated greeting card company. If you have not already been sent one of these cards, simply send the Supreme Lodge Office an email "Hello" to the new email address and add [jacquielawson.com](mailto:jacquielawson.com) to your "safe sender list". New cards are being sent out throughout the year.

The Supreme Lodge Office is available by phone, text and email.

## **A Message From Editor Michelle Videlock**

Welcome to the Spring, 2025 issue of the Pythian International. I hope the weather shows promise of warmth, gardens, and fun in the sun wherever you are.

Changes are blooming for the P I as well...

There have been many updates/additions to Grand Session table

Another new feature is being introduced: Readers' Perspectives. There will be a new survey/poll each issue; compilation of results to be published in upcoming issue). Suggestions for future topics are always welcome. Please see page 12 and let us know what you think:

***Is there a program, activity or event in your domain (local, not from Supreme), which has been successful in your Lodge/Temple that may be useful in other Lodges/Temples?***

You will see that this is a packed issue – we love seeing the pictures and helping you celebrate the local charities and milestones. The variety is fantastic and large or small, your contributions are making a difference.

Please keep those submissions coming – remember we want to hear from Knights AND Sisters. Together we make the Order stronger.

Michelle

## **A Message From Supreme Membership Chairman Dan Videlock**

We are all here for the same goal to grow the order and make the world a better place.

Supreme, Grand and Subordinate lodge, wherever you are in the order you have a job MEMBERSHIP.

If you notice Subordinate, Grand and Supreme Lodge members openly provide their contact info. This is done so we can communicate with each other. If you need help pick up the phone or email someone. They may be able to help. If not they may send you to who can. Remember even Grand and Supreme lodge members all started in a subordinate lodge.

As membership lodge Chair I am here to increase membership and will happily speak to you. If things aren't going as well as you would like I am here to help. As well as Grand and Supreme lodge members.

That means we need to work together regardless of what is going on. A team of horses does not do well when one of the horses doesn't pull their weight and cooperate. When they work together no one works hard and the job gets done faster.

Without membership organizations don't last long. The more active members you can get you can do more community projects, raise money for charities, make more friends, volunteer and make the world a better place. You can do it easier. This also shows the world we are here to help. This makes it easier to recruit since we do good deeds.

Every one of us is a membership chair.

Everywhere we go is an opportunity to recruit a new member.

Each of you should carry an application on your person all the times.

Doesn't matter if it is your job, supermarket etc....

If you belong to another fraternal order some of them may be willing to join.

The worst they say is no. They may say yes.

When they come to the lodge put them on a committee or make them an officer. Give them something to do. Most importantly make them feel welcome and wanted. If they want to try something different than has been done give it a try and join their team. It may work.

FCB

PENDING

## **Supreme Chief's Program**

### **EMPOWERING MINDS: YOUTH MENTAL HEALTH INITIATIVE**

This project is designed to empower our youth by equipping them with the knowledge, resources and support they need to care for their mental health. In this effort, we hope to foster their communities to understand and prioritize mental health. Co-chairs PSR Jennifer Hensley and SPSC Yolanda Chatwood will be distributing information and ideas on how to proceed.

### **MEMBERSHIP**

Membership has been an ongoing concern and needs the efforts of everyone. We have a great opportunity with our recent change that allows men to become members. They must meet the same criteria as women by being 16 years of age and of good character. They do not need any relationship with current or past members. Co-chairs PSR Sarah Howatson (US) and Louise Marshall (BC) will suggest ideas for you.

### **WAYS AND MEANS**

Do we have a deal for you! Currently available are both giraffe and rose pins for \$5.00 each. We also have a stunning red t-shirt that features the logo of Sisters, Knights, Nomads and DOKK's for \$20-\$22. We are offering raffle tickets for two quilts and the 25/25/50draw plus many other items. You will receive information soon from chair Dawn Dibble, Supreme Junior.

### **ENDOWMENT FUND**

We also encourage you to make donations to the Endowment fund which funds the educational scholarships we offer to Pythians including their children and grandchildren. Details to apply are available from your secretary. Letters of acknowledgement are sent to recipients or their families.

We have received a number of requests for photos of the apparel associated with the order form you’ll see later in the issue. Not the best, but here is at least a representation.

## NEW JERSEY

On Thursday January 16th, 2025 the New Jersey Grand Lodge Knights of Pythias Charity Foundation presented our annual One Thousand Dollar donation to Make-A-Wish New Jersey at the Wishing Castle in Monroe Township, New Jersey. Once again we experienced the wonderful feeling of helping to give life-changing Wishes to critically ill children as a product of our charitable work. The included photos of our visit depicting the presentation to Ms. Dominique Gleason from Make-A-Wish New Jersey and the Brothers who joined in the presentation; PSR Sir David N. Bellask, PSR Ray Breitowich, PSR Sir Joe Spindel, PSR Sir Saul Rochman, and Charities Foundation President Sir Jerry Weiner; all representing the Charity Foundation for this presentation. The “Wish” Bus which is a specially outfitted converted bus which is used for bringing wish kids to the Castle or to a place where their wish can be granted without having to travel in an unsafe or unhealthy manner. We were accompanied by Mrs. Rochelle Bellask (photographer). The members of the Charity Foundation have voted once again to give our donation of One Thousand Dollars to this worthy charitable organization next year.

### PYTHIANS DONATE \$5,300 TO SPECIAL OLYMPICS

On September 23, the Special Olympics Fall Classic took place at Cantiague Park. The Pythians were the golf scorers for the Special Olympians. Thank you to Dale Siegel, Keith Karon, David Salem, Errol Lewis, Scott Geffon, Don Rosenberg, Robert Banks, Stuart Teicher, Lea Salem, Martha Lewis, Michael DiBlasio, Sheldon Miller, Marc Becker and Jackie Becker for showing up and making a difference. The Special Olympics mission strives to create a better world by fostering the acceptance and inclusion of all people through the power of sports. The Special Olympians discover new strengths and abilities, skills and success. These athletes find joy, confidence and fulfillment on the playing field and in life. They also inspire people in their communities and elsewhere to open their hearts to a wider world of human talents and potential. Thank you to The Humanitarian Fund, Harmony Lodge, The William Wenicoff Children's Foundation, The Third Pythian District, and Brian Klasewitz for their generous donations.

# WALK TO END ALZHEIMER'S

alzheimer's association

On Sunday, October 6, 2024, many Pythians participated in the Walk to End Alzheimer's® in East Meadow, NY. The Alzheimer's Association Walk to End Alzheimer's® is the world's largest fundraiser for Alzheimer's care, support and research. Special thanks to PCDGC/AGT Sir Marty Nyear and

PACDGC Scott Geffon for being our team leaders. Thank you to the Third Pythian District, Alliance-Mid Island Lodge #801 and Island Lodge #623, CC Barry Hyman, GOG Sheldon Miller and Ted Winkler for their generous donations. The Knights of Pythias was represented by Brian Klasewitz, Barbara Klasewitz, David Salem, Lea Salem, Robert Fletcher, Joseph St John, Craig Kligfeld and Kenneth Schecter. We had a wonderful walk on a chilly but beautiful day in Coney Island, Brooklyn.

## OREGON

Gaston Oregon Lodge #104 hosts monthly BINGO events on the first Saturday of each month, except for August when we are ramping up for our annual car show, the WAPATO SHOWDOWN. Proceeds from BINGO events go into our community fund which is donated out into the community upon request to help fund activities like the Gaston HS Washington DC trip, the Oregon High School Equestrian Team, Gaston Youth Sports programs and many more. Proceeds may also be allocated to our building fund for general maintenance and repairs as needed. The Knights of Pythias Gaston Lodge #104 remains a cornerstone of our community, and our members are proud to be part of such a great organization.

On January 30<sup>th</sup> nine new Knights joined Helmet Lodge #33 in Eugene for the Rank of Knight ceremony. The Grand Lodge Officers of the domain of Oregon had the pleasure of participating in the 3 in 1 initiation ritual.

This is the beginnings of a great success story. Two years ago, Helmet Lodge was struggling, membership dropped to a devastating low due to the loss of key members due to age and accident. Members of other Oregon lodges along with the Grand Lodge Officers stepped in as dual members to help reestablish the lodge and recruit new members. We were fortunate to find a couple of likeminded community members that were looking to become active within their community. The interest in the Knights of Pythian was made possible by a dual member that was wearing a Pythian shirt and hat while shopping in the community. This is a great example that it does help to bring awareness to our organization. The lodge has grown from 3 inactive members to over 20 very active members.

The members are in the process of identifying some needs within their community that they can participate in and helping to make a difference.

## Fundraising Can Turn Bitterness Into Sweetness

To all our Pythian Brothers,

Recently the call went out asking for prayers for my great great niece and her family. She went to bed on a Thursday night (January 9, 2025) not feeling well and was Life Flighted to Dorenbecher Children's Hospital unresponsive and on life support (January 10, 2025). I thought you might like to see who all the prayer requests were for. Thanks so much for your support of our Temple's efforts in supporting the children at Doernbecher's Children's Hospital through their Child Life program, and our other community efforts . It is so much appreciated. It has taken a personal importance to me now as my 12 year old great great niece just died at Doernbecher January 13, 2025 and I can't speak highly enough of the compassionate care and support of Mia and the whole family received during this traumatic time.

Sincerely yours in P,L,E,&F, Rebecca LohKamp, Ivanette Temple #68

The dedicated email for submitting questions for the “Ask a Pythian” section is [askapythian@pythias.org](mailto:askapythian@pythias.org). A Council member or other subject matter expert will address your question and we will print it here to the extent possible in a future edition. Please note, if the content is of a sensitive nature someone will reach out to you offline.

I have been asked a question by a few people so I figured I will check with you. Does the Pythian International get sent out by snail mail to all members? Some are insisting it was, I really do not remember. Please advise.

In the past, yes copies were mailed. It has been many years since there have been hard copies of the P I mailed. We have been digital with the option to download from the website. Also, those on the distribution network have the PDF file as an attachment that they can copy or forward to distribute liberally as well.

*Thanks, appreciation and congratulations for those “extra efforts”! The dedicated email is: [pi@pythias.org](mailto:pi@pythias.org).*

Huge thanks to Samuel “Sully” Sullivan for the wonderful pictures of Rabbi Randy we were able to share.

## **A Parting Thought**

### **The Garden**

Plant three rows of peas:

Peace of mind

Peace of heart

Peace of soul

Plant four rows of squash:

Squash gossip

Squash indifference

Squash grumbling

Squash selfishness

Plant four rows of lettuce:

Lettuce be faithful

Lettuce be kind

Lettuce be happy

Lettuce really love one another

No garden should be without turnips:

Turnip for service when needed

Turnip to help one another

Turnip the music and dance

Water freely with patience and cultivate with love.

There is much fruit in your garden because you reap what you sow.

To conclude our garden we must have thyme:

Thyme for fun

Thyme for rest

Thyme for ourselves

Pretty nice garden, don't you think? Everyone should have one!

**Stay strong. Stay true.**

**Stay PYTHIAN!**
